# SHOWERING ENCLOSURES

For over 20 years, Simpsons has been recognised as the leading supplier of premium shower enclosures and accessories. Striving for quality and performance at every stage, our extensive range offers a superior selection of both affordable and luxury enclosures to ensure the perfect fit for any showering space. A combination of trusted manufacturing techniques, high-quality materials and certified finishes all come together to bring you a product that is of the highest possible calibre.

## **Unique showering solutions**

Setting the standards in both function and aesthetics, we strive for perfection in each and every design. Offering a wide selection of both classic and contemporary designs, our

customers can choose from a breadth of enclosure styles, including frameless, walk-in and quadrant to ensure the perfect fit for every individual need.

## **Innovative product range**

At Simpsons, we embrace cutting-edge technology and tried-and-tested manufacturing techniques to offer you the best possible product. We take pride in our designs, not only offering exceptional quality but also design innovation of the highest pedigree. With Simpsons' Clear as standard across all of our screens and an enviable Lifetime Guarantee on a selection of our ranges, Simpsons sets the standard as the prevailing name in showering solutions.

# RANGE

## SHOWER ENCLOSURES FOR ALL SPACES

No shower room is the same, which is why at Simpsons we believe our customers deserve a wide selection of enclosures to choose from. Carefully considering function, size, accessibility and style, our extensive collection offers an enclosure to suit all requirements, whether that's a practical solution for everyday use, or a luxurious shower retreat.

### Inspiring designs & finishes

Combining up-to-the-minute finishes with a wealth of contemporary designs, a shower enclosure from Simpsons guarantees superior quality and long-lasting durability. Providing customers with the complete package, including a

choice of frameless, semi-frameless and full frame options, we also offer a range of superior shower trays to complement each enclosure.

### Designs for small spaces

Got an awkward corner? Dreaming of a luxurious walk-in shower? At Simpsons we pride ourselves on offering a design solution for every space, be it big or small. Along with a range of ready-made enclosures, which allow for quick and easy installation, we also have a superior selection of individual shower screens and panels that can be combined for a bespoke shower space.

# STYLE & QUALITY

When it comes to quality, we don't cut corners. Each of our superior enclosures is built to last, combining innovative materials and expert manufacturing processes to provide you with a product that you can trust. We understand that strength and durability is key, and we can confidently say that you'll find nothing less in a Simpsons enclosure.

## Superior finishes

All of our shower screens are finished with Simpsons Clear Glass Protection as standard. This innovative coating will keep your shower looking brand new, helping to reduce staining and therefore

taking the hassle out of cleaning. Looking for something different? We also offer a selection of bespoke glass finishes, including coloured and frosted, to help you create a distinctive design statement.

## Built to last

Long-lasting style is a guarantee when you buy a Simpsons shower enclosure. In fact, we're so sure of the quality of our product that we offer a lifetime warranty on a wide selection of enclosures. Team that with on-trend frames and a stylish choice of handle options and you've got a shower enclosure that will stand the test of time.

# INSPIRATION

Function and practicality are paramount when it comes to considering your enclosure, but that doesn't mean you should compromise on style. At Simpsons we understand that a great deal of time is spent in the bathroom, therefore our superior range of enclosures has been designed and styled to reflect the latest trends for a space that is as inspiring as it is functional.

## Minimal urban styling

Creating a cohesive look is essential for any bath or shower room. Therefore, all of our shower frames and handles

are finished in a timeless silver coating, ensuring that a coordinated look is formed when teaming with valves, showerheads and bathroom brassware.

## Wet room shower trays

If it's a wet room you're looking for, we offer frameless shower panels and a selection of low and level access shower trays to help you create that seamless look. Our expert knowledge and high-quality products ensure that the practicalities of a wet room are covered, providing you with only the best when it comes to planning your open-plan showering space.

# SHOWER ENCLOSURES

A COMPREHENSIVE RANGE OF INSPIRING DESIGNS

# HOW TO CHOOSE

Choose from a comprehensive collection of inspiring designs and innovative finishes to suit your bathroom space, personal style and lifestyle requirements.

## BY LOCATION IN A CORNER OR RECESS?

Both recess and corner enclosures allow you to effectively utilise your bathroom zone. Recessed shower enclosures already have the foundations in place so you only need to choose and install a door, floor and fixtures, whereas corner showers generally have sliding doors, which is handy when space is at a premium.

## BY ACCESS WETROOMS & WALK IN ENCLOSURES

Slim line and ultra sleek, semi-frameless designs create a stylish look that streamlines the look for a modern showering solution with easy walk in access.

**BY ENTRY**  
HINGED DOORS

Choose from our comprehensive selection of highly functional, outward opening hinged door enclosures for a tightly sealed and minimalist shower design.

**BY ENTRY**  
SLIDING DOORS

Perfect for small bathrooms, our sliding door enclosures not only look great but also maximise shower space, creating a stylish yet practical environment.

**BY ENTRY**  
CORNER ENTRY

Inspiring and stylish designs but also the perfect compact option.

**BY SPACE**  
SPACE SAVING  
SOLUTIONS

If space is a concern, then look no further than our space saving options. Choose from a selection of space saving and fashionable door designs from sliding, corner entry and bifold doors. Compact and off set quadrants are also available with varying wall dimensions on either side, which are perfect for maximising space.

# THE ULTIMATE GLASS PROTECTION

Keep your shower looking brand new with Simpsons' Clear Glass Protection. An effective invisible coating, it acts as a lasting protective barrier on the surface of the glass, helping to drastically reduce staining from hard water and chemical deposits that accelerate the ageing process.

## HOW DOES IT WORK?

Simpsons Clear is a colourless treatment applied to our shower glass. Soils and liquids tend to 'slide off' surfaces treated with Simpsons Clear coating, helping to prevent build-up and making the glass easier to clean.

### FEATURES & BENEFITS

- Resists stains, particularly oil based stains
- Easy to remove hard water deposits
- No need for aggressive cleaners

Untreated glass can quickly and easily suffer permanent bonding of limescale and mineral salts onto its surface that can cause staining and damage with water spots being difficult, if not impossible, to remove despite regular cleaning.

Supplied as standard, Simpsons Clear Glass Protection is a colourless treatment applied to our shower glass that keeps glass sparkling without any stains. Helping to prevent build up and making the glass easier to clean, the invisible coating allows soils and liquids to 'slide off' the treated surface.

It is chemically non-reactive and non-stick, which prevents limescale and other dirt from building up half as fast to make cleaning a simple, quick process; enhancing its durability to protect against the damage of oil based substances and the build up of unwanted fingerprints.

## NOISE REDUCTION

No matter how hard you slam the Design Soft Close Slider enclosure, the door eases open and shut with virtually no sound. This clever, yet graceful and gradual closing offers near silent door operation, as well as a great child-friendly feature for families and an extended product life due to minimised door-to-frame impact.

SCRATCH-PROOF

STAIN-PROOF

REVERSIBLE DESIGN

ECO-FRIENDLY

BACTERIAL RESISTANT

## SCRATCH PROOF BRILLIANT ENDURING FINISH

The surface of the PLUS+TON shower tray is 100% scratch-proof and guaranteed to keep the same brilliancy of finish as the day it was installed. Each tray is rigorously tested against abrasion and scratching, time and time again tests prove perfect resistance properties that exceed the requirements of the current industry standards. Simply clean scratches with a scoring pad and water.

## BACTERIA RESISTANT ERADICATE GERMS

On average there are more bacteria in one hand than people on earth! On non-protected areas the number of bacteria can double every 20 minutes. PLUS+TON include Bacterclean® as standard, a revolutionary non-toxic antibacterial treatment, achieved by the high temperature glaze process. Bacterclean® complies with the world's most stringent quality standard JIS Z 2801:2000 (ISO 22196:2007), ensuring the development of pathogenic agents such as E-Coli, Staphylococcus or Streptococcus are eliminated by up to 99%. Providing you with peace of mind that you have the very best showering base available in the UK today.

## REVERSIBLE VERSATILE DESIGN

With a thickness of only 30mm, the PLUS+TON shower tray is extremely easy to handle. With it's fully glazed sides, its completely reversible and can be installed in any bathroom environment, adjacent to walls, in the centre of the room or to follow modern trends flush to the floor, making the showering area also accessible to those with disabilities.

## LIMESCALE & STAIN-PROOF

Whether you're dyeing your hair or painting your nails in the bathroom any spills can be cleared up within 72 hours and will leave no staining.

### SIMPSONS ANTI-SLIP IS SIMPLY THE FINEST AVAILABLE

Our anti-slip trays comply with DIN51097 class C - the highest anti-slip rating. We are the only manufacturer to thermo bond the Swiss Grip Antislip onto the tray with a curing process - to ensure better performance for a cleaner & longer lasting surface.

DIN51097 class C anti-slip ramp test

Our anti-slip trays also conform to BS7976-2 within Sliptech's category for "Low potential for slip" which is the best possible rating.

Tile weight - One of the great features of Simpsons Wetrooms is its strong adherence to tiles using approved cement based adhesives. This makes Simpsons Wetrooms an ideal product to use with heavy tiles such as natural stone. Dependant on the size of the tiles, Simpsons Wetrooms is suitable for tiles up to 50kg per m<sup>2</sup>. Please ensure the appropriate adhesives and tapes are used in the installation of all Simpsons Wetroom products. Failure to do so will invalidate the product guarantee. See page 188 for fixings and adhesives.

## FEATURES

Panels are preformed with adjustable legs

Easy to cut down to size

Faster to install than timber panelling

# LEVEL ACCESS INSTALLATION

## WOOD FLOORS

Fixing a level access wetroom onto a traditionally constructed board and joist floor is straight forward but it's recommended the work is carried out by a qualified professional. A feasibility site survey should also be carried out in advance to ascertain the length, direction of the waste and joists etc.

1. Remove floorboards to the nearest joist where the shower tray will be located.

2. Install the waste ensuring adequate run off.

3. Fix timber supports in between joists - these should be fixed low enough to bring your timber panels to the top of the joist.

4. Fix timber panels to support ensuring a level deck at joist height.

5. Fit shower tray and floor panels to entire floor area using board fixing adhesive and screws.

6. Seal all joints and fixings with waterproof joint sealing tape and corners. Your level access wetroom is now ready to tile.

CONCRETE FLOORS

1. You will need to cut out the concrete floor to recess the waste and tray where appropriate.

2. Fit the horizontal waste into position within the concrete floor.

3. Fit the shower tray into position using fixing adhesive.

4. Fit waterproof corners.

5. Fit floor panels to entire floor area sealing joints with waterproof joint tape.

6. Your level access wetroom is now ready to tile.

# WHY VISIT YOUR LOCAL BATHROOM SPECIALIST?

Designing, planning and buying a new bathroom should be a truly enjoyable and ultimately rewarding experience.

At Crosswater we believe that by far the best place to buy your bathroom is at an independent bathroom specialist, why?.....

## 1 EXPERIENCE & EXPERTISE

Specialist bathroom retailers offer a wealth of experience and skill to ensure you receive an impeccable and personal service throughout your bathroom project whatever the size, including help with installation and local tradesmen.

## 2 DESIGN CONSULTATIONS

Specialist bathroom retailers can offer knowledgeable assistance with room layout design and technical considerations - most will do this in the comfort of your own home. Many can provide full 3D design plans so you can visualize your bathroom before its fitted.

## 3 TEST DRIVE SHOWROOM DISPLAY PRODUCTS

Browse, touch and test a huge variety of bathroom products in comfortable surroundings, and receive qualified and fully trained advice on each and every aspect of the products - you simply cannot do this online.

## 4 AFTER SALES CARE

Once you have purchased from a bathroom specialist you can get personal and most importantly local after sales support.

**PRODUCT QUALITY**

**TOTAL PEACE OF MIND**

All Crosswater products are designed and produced to the most exacting British and European standards, covering performance, durability and safety. To back this up, all Crosswater products carry extensive guarantees, details of which are available at the back of this brochure, online, or by asking your local retailer.

**THERE'S A LOCAL BATHROOM SPECIALIST NEAR YOU**

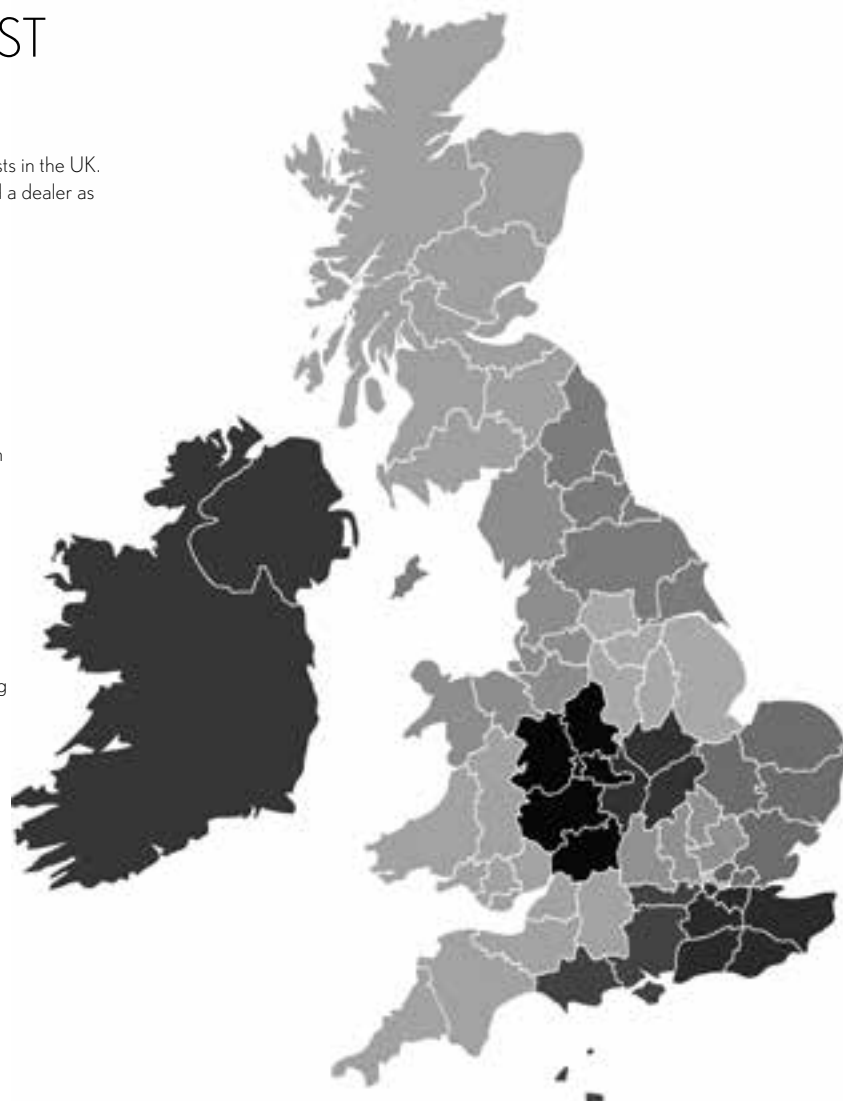

There are almost 600 independent bathroom retail specialists in the UK. The 'Where to Buy' feature on our website allows you to find a dealer as close to home as possible.

These stores present the largest choice of our products locally, including approved dealer status for Digital, Mike Pro and Kelly Hoppen ranges. Some outlets display products and ideas within dedicated "Crosswater Shop-in-Shop areas", some demo products are fully working and you can consult with fully trained sales people on all aspects of your bathroom project.

Specialists in at least one of our brands, with most stores offering a wide range of Crosswater products from within high quality display settings including many of the products featured in this catalogue. Stores have a knowledgeable Crosswater product expert available from initial visit through design and installation.

# TERMS & CONDITIONS

## PRICES

This price list supersedes all previous publications with goods being invoiced at prices ruling on date of despatch. Prices are subject to alteration without notice and include VAT.

## DELIVERY

Orders in excess of £50,000 nett invoice value will not be subject to carriage charge and will be delivered within two working days from receipt of order. Orders below £50,000 will be subject to a fixed charge of £5.00. Any claims for non-delivery, shortage or damaged goods must be reported in writing to the company within 14 working days from date of delivery. Such claims will not be accepted for deliveries to a third party delivery address.

## RETURNED GOODS

Requests to return goods must be made in writing to Returns.Department@crosswater.co.uk and include the product details, purchase order number and reason for return. Requests for items not required must be received within 21 days, be in perfect condition, in the original packaging and will be subject to a 12.5% re-stocking charge. Requests for damaged, goods with missing parts and picking errors must be received within 14 days of the delivery date. Faulty items may be returned for testing or inspection at any point but must be provided with proof of purchase. Special orders are non-returnable. Collection will only be made from point of delivery. Damaged will not be collected once they have been sent to a third party

## RETENTION OF TITLE

Ownership of goods shall remain in the company until full payment has been received for all goods comprised in this contract. If any goods are re-sold before payment is made the Company's right of ownership shall be transferred to the proceeds of sale or to the claim for such proceeds.

## PAYMENT

Payment is to be made by the end of the month following the date of Invoice. Failure to pay may result in the Company declining to accept orders until such time that your account is brought up to date.

## LIABILITY

All quotations are given and goods sold subject to the conditions that the seller's liability is limited to goods proved to have been defective in material or workmanship when goods have not been used for the purpose for which they were intended, not fitted correctly, not maintained to the seller's recommended standards or have been abused or misused.

## ERRORS & OMISSIONS

In the interest of continuing design, development and product improvement, Simpsons reserve the right to change colour, designs and product specifications without prior notice.

## LIFETIME GUARANTEE\*

All Simpsons products, unless otherwise stated carry a lifetime guarantee, which covers all manufacturing defects. This guarantee does not cover damage during fitting or misuse.

- The guarantee is only available to original purchasers who have proof of purchase.
- If the product has been installed, Simpsons must be given the opportunity to inspect the product in the installed condition.
- If the product is defective in materials or manufacture the original purchaser must contact our Technical Department within 30 days of the fault occurring. If the fault is not resolved the goods should be returned to Simpsons and at our discretion we will refund the purchase price, repair and return the goods to you or send new goods or parts to you as a replacement, this shall constitute our sole obligation under this guarantee. Simpsons cannot be held liable for any reinstallation costs or maintenance charges relating to the replacement of spare parts.
- Due to a continuous development program. If in our opinion the product has failed under the terms of the guarantee and a replacement is offered but identical goods are no longer available, Simpsons will replace it with our nearest equivalent product.
- This guarantee covers normal use, it does not cover faults caused by wilful damage, incorrect installation, neglect, misuse, inappropriate cleaning, accidental damage and other events outside Simpsons control.
- The guarantee does not cover any product that has been altered or modified in any way without the prior written consent of Simpsons.
- If a claim is made under the guarantee a site visit maybe required which is chargeable, if the defect is due to faulty materials or manufacturing Simpsons will refund the cost of the site visit.
- The guarantee is only valid for products purchased, installed and used in the United Kingdom.
- The guarantee does not cover ex-display units.
- The benefit of this guarantee cannot be transferred to a third party.
- The guarantee is in addition to and does not affect your statutory rights.
- The product should only be cleaned with warm soapy water. Aggressive cleaning fluids could damage the enclosure and will invalidate the guarantee.

\*All products carry a lifetime guarantee, with the exception of the following:

- Edge bath screen, Supreme Deluxe bath screen and all seals - 12 month guarantee
- 35mm shower trays - 5 year guarantee
- Elite range - 5 year guarantee
- Arcade range - 5 year guarantee
- Wastes - 10 year guarantee

## PRODUCT COMPATIBILITY

Whilst the majority of Simpsons products are compatible, care should be taken on product selection prior to ordering to avoid installation issues. Technical drawings are available on our website or on request.

## EASY INSTALLATION

All products incorporate a clever width adjustment feature offering between 15mm and 60mm width allowance to cope with out of true walls, ensuring that they sit squarely on the shower tray. Most products are reversible for left or right hand fitting.

## INSTALLATION NOTES

Trays must be plumbed and level, walls should be tiled down to the tray and sealed before doors or frames are fitted. Dimensions are designed for tiled in trays - not unfitted tray sizes. All doors and enclosures must be fitted to a tiled surface, not tiled up to the inside edge of the door. Enclosures must not be sealed on the inside, please refer to fitting instructions. Due to the weight of Classic Doors you must ensure that the walls to which fixing is to be carried out are of a suitable construction to support the enclosure.
